

Redefining Paraeducator Potential

ADOPT EARLY.

FREE TESTING.

FREE TEST PREP.

FOR EVERYONE.

We're celebrating the launch of ParaPathways with an unprecedented offer!

All candidates will test for free and receive a free Interactive Practice Test between September 1 and December 31, 2025*. Take advantage of this opportunity to **support your paraeducators at no cost.**

ParaPathways is a modern assessment that validates the content knowledge paraeducators need in today's classrooms. Alongside the refreshed test, we're introducing High Leverage Practice Modules—interactive learning tools focused on core instructional practices. Together, these resources offer a comprehensive approach to paraeducator development.

- * Free testing does not apply to Parapro or access to High Leverage Practice Modules (HLPs). Adoption must be secured by October 1, 2025. All unused session keys expire on 12/31/25.

A New Approach to Supporting Paraeducators

Built on the trusted foundation of the ParaPro test, ParaPathways introduces refreshed content, enhanced features, and deeper insights — all aligned with today’s classroom demands.

To help you make an informed decision, the chart below outlines a side-by-side comparison of pricing, features, and added value between the two assessments.

	ParaPathways*	ParaPro
District Price	\$49 - \$59	\$55
At-Home Test Price	\$75	\$85
Interactive Practice Test	\$24.95	\$24.95
High Leverage Practice Module	\$50	N/A
Test Prep Bundle ParaPathways (5757) + IPT + HLP	\$69	N/A
Reading and Writing Subtest (5759)	\$37.50	N/A
Math Subtest (5758)	\$37.50	N/A

*ParaPathways pricing will go into effect on January 1, 2026.

District pricing for purchases of 1-249 session keys is \$59. A discounted rate of \$49 per test is available for bulk purchases of 250 or more session keys. District pricing applies only to approved educational institutions on purchases made through the ParaPathways Admin Application. Session keys purchased on the Admin Application can only be used at an approved community based test center and not for at-home testing.
