

# ADDITIONAL SCORE REPORT REQUEST

Use this form to request that your *Praxis*® scores be sent to a designated score recipient or to yourself. Your report will include your highest score for each test taken over the last 10 years. Complete and mail this form with a remittance of \$50 for each report requested. ETS will honor a telephone or faxed request to send your scores to a recipient. Additional score reports are issued within five calendar days for phone requests and seven business days for U.S. mail or fax requests. If you request that your score report be sent to a designated score recipient, you will automatically receive a score report through your online *Praxis* account confirming that your scores were sent as requested. Scores for a specific test will be sent to a recipient only if that recipient is eligible to receive those scores.

You may not use this form to delete or substitute score recipients previously selected during registration.
