

SCORE REVIEW REQUEST

See the Bulletin or website for more information.

Complete this form to request a review of your constructed-response test score. **Your request must be received within three (3) months of the test date.** If there is a change in your reported score, the revised score (which may be higher or lower than your originally reported score) will be reported to you and to the recipients of the original score, and your review fee will be refunded. Your score for a specific test will be reviewed only once. **(Note: The Score Review Service is not available for selected-response tests because they are scored electronically.)** For faster processing you may contact customer service at 1-609-771-7395 or 1-800-772-9476 to make a score review request.
